Our Program

At Inspire, our program is led by children. We facilitate play and recreational activities that invite children to discover, create, imagine and be inspired!

Every afternoon at Inspire, the children will participate in all three components of our program; Homework Club, Inspire Time and a Taekwondo Lesson.

Our program is guided by the principles, practises and outcome of the learning framework, My Time Our Place.

Homework Club

Homework rooms are supervised by an educator who will support and assist children in their learning. Providing homework support, extension work and reading assistance.

Taekwondo Lesson

Every day our kids participate in a Taekwondo lesson with a black belt instructor. Children can progress from white to black belt and attend a Grading Day event every term!

Inspire Time

Our activities are programmed according to children's interests, and may include cooking, science experiments, fitness, art, construction and more!

Daily Fees

Inspire's daily fees are:

- After School Care: **\$41.50**
- School Holiday Fun: **\$119.00**

Child Care Subsidy (CCS)

All daily fees at our Inspire Riverstone centre are eligible for the Child Care Subsidy.

The average Child Care Subsidy percentage for our families is 65%, which means an average out of pocket cost of less than \$15.00 for after school care.
